

## >> Frustrated with erratic or unpredictable internet service?

## Take the Dakota County Broadband Speed Test and let us know!

The pandemic has exposed a digital divide between urban and rural areas. SIMPCO is part of an effort to help ensure every Nebraska resident has the same broadband opportunities.

Take the 1-minute Dakota County, Nebraska speed test at <a href="mailto:simpco.org/current-projects/dakota-county-broadband-study/">simpco.org/current-projects/dakota-county-broadband-study/</a> or scan the QR code below.

Thank you for helping us bridge the digital divide!

Questions? Please contact SIMPCO at 712-279-6286.
